EDITORIAL

The Oxford Dictionary definition of a Magazine is "periodical publication containing articles by various writers". I am beginning to think that we shall have to stop calling our publication a Magazine because we don't have various writers. We have the usual 'Bits from Hon. Sec', some information from your Competition Secretary, one article gratefully received from Ed. Wharam, and a few scribbles from me.

The definition of various is "different, several, more than one". Got the message yet? We need articles from you. The reason the Magazine is late this month is simply because you have not supplied anything to print. Please let me have a few lines for the future Magazines!

YESTERYEARS

Some reports, of the poor motorist being caught by the Law, in a 1938 newspaper were brought to my attention recently. They read as follows:-

FRED....., Motor Driver of no fixed abode, was fined 20s. for exceeding 20 mph. Pc. Brown said the defendant was followed for a mile and a half and his speed was 32 mph. Told he would be reported defendant replied "Yes, thank you very much". (I suppose that one way of proving to your mates you have a fast machine is to be caught by the Law).

ARCHIBALD....., Motor Driver was fined 20s. for a similar offence. Pc. Chin said defendant's speed over a mile was 30 mph. Defendant when spoken to attributed his speed to the fact that the vehicle was new and empty.

The following FOR SALE notices appeared in a 1932 newspaper:-

FOR SALE - 1929 Ford 2 seater, splendid condition £25.

SNIP - Morris Oxford 2 seater. 12 hp engine, perfect, any trial, £8 or offers.

1926 20 hp Long chassis Armstrong Siddeley coach built saloon for sale. Perfect running condition. £30.

Jowett Car 7hp. 2 seater, take 4 passengers anywhere. Only had one owner. Price £20.

12 hp. Singer Saloon, finished in blue cellulose, pneumatic upholstery, servo vacuum brakes. £67.

These reports and notices give us a hint of what motoring was like yesteryear but it would be interesting to know more. Is there any club member who can tell us more about motoring and the vehicles of that era?

CHRISTMAS PARTY - NAGS HEAD INN, ROUTH

The Christmas Party was another complete sell out this year, and was good value for money as included in the price was a chance of Scampi or Chicken and chips. There were one or two complaints about the food but, all round, it was quite fair for the low cost.

Balloons were blown up by the fitter members before the party, ably assisted by screams of terror from Enid Beadle, true she so much as saw a large balloon being handled indelicately. These balloons were reputed to contain some tickets for prizes but it turned out to be a devilish trick to get everyone chasing balloons around (no prizes were awarded).

After threats, trikery at some expert juggling exhibitions by yours truly several suitably sloshed party-goers joined in a few organised (?) games including beer-swilling and demonstrations of Kama Sutra positions 33.69 mit Key and String.

There was, at one end of the hall, a board with several pieces of mechanical equipment attached to it reputed to come from some very unlikely sports machinery (MOGGY THOU. ETC.). Graham Oddy managed to persuade his crystal ball to come across with the answers and walked off with the prize in fine style. (THINKS - Crystal balls, so thats how he does it).

Von Tripp's staple diet of bananas and peanuts once again enabled him to climb into the rafters of the Inn and somehow he managed to divest a large Spanish Bull of its vicious looking horns (much to the displeasure of the management).

Altogether it was an enjoyable evening but to bring this event into line with our other notable "supping" event (Rosedale) there must be more beer swilling carried out to rid our members of their various inhibitions and get them into the swing of thins. (There was a distinct lack of interest in the organised games aforementioned).

Thanks must go to the Social Sub-committee ably run by Roy & Myra Webster for another successful event. I hope there will be more to come.

BIG ED.

CONGRATULATIONS:-

To Melanie Spruit and Roger Stanford on their engagement.

NOTES FROM COMPETITION SECRETARY

Your Competition Secretary, Graham Oddy has asked me to print the following list of equipment and items used in rallying for some of our new members.

LIST OF EQUIPMENT FOR MARSHALS:

1. Respirator
2. Axe to be carried in belt.
3. Stirrup pump to be carried over right shoulder.
4. Extending ladder to be carried under right arm.
5. Long household shovel to be carried under left arm.
6. Rake to be carried over left shoulder.
7. Scoop to be carried in left hand.
8. Whistle to be carried in mouth.
9. Belt to be worn round waist, with ten hooks for carrying sandbags and four pails of water.
10. Two wet blankets to be slung round neck.
11. Flashlight (RED) to be carried round neck.
12. Tin helmet with brim upturned to carry more water.
13. Wellington boots to be worn so that ice cubes may be placed in them.
14. Extra sand to be carried in all available pockets.
15. Ships anchor to be dropped in case Marshal wishes to stop galloping.

If you do not have all the items in Marshals' equipment list don't let it put you off marshalling. Harry Ahern needs lots of marshals for the 2 Wykeham Forest Stages on the Dales Forest Rally on the 24th February and he will be quite happy if you turn up with enthusiasm, a good torch, warm clothing and hot soup.

LETTER TO THE SECRETARY:-

8 Greenville Drive,
Low Moor,
BRADFORD.

Dear Harry,

On behalf of the members of B.M.R.M.C. I would like to
thank you for your list of events for 1973.

I would also like to take this opportunity of wishing you and
all your members a very Merry Xmas and a prosperous season for
1973.

Looking forward to many good meetings.

Yours sincerely,

PETER HORSFALL
Comp. Secretary
British Motor Racing Marshals Club Ltd.

CASTROL QUIZ

The first round was held at N.D.L.B. Social Club on Tuesday, 9th January, 1973. North Humberside took the honours in a resounding win over Selby & District Motor Club.

Our Team picked, or rather conscripted on the evening, were Ian North, Chris Cammack and Colin Wright. The team were quick on the buzzer and although most of the questions were 'mind benders' they knew the answers, especially Ian.

Considering the Club has a membership of nearly 400 it seems a shame that only 20 turned out including the team.

The other clubs competing that evening were Auto 66 against N.D.L.B. Motor Club. Auto 66 were the winners but N.D.L.B. were the show stoppers, if they didn't know the answers to the questions they certainly knew how to make people laugh, even the questionmaster, who at times couldn't read the questions for laughing.

It was a most enjoyable evening and our thanks to N.D.L.B. were expressed by our Chairman, David Shipley.

The next round of the Castrol Quiz is to be held at De Lacy Motor Club on Tuesday, 6th February, 1973 at 8.30 p.m. when N.H.M.C. play B.A.R.C.
