STAGES RALLY

8th September 1985

Welcome to the 1985 CRYSTAL ESSO STAGES RALLY

This road book has been designed to allow you to follow the correct route between stages with out the need to do any plotting,although all map references of junctions and stage locations have been given.

PLEASE READ THE FOLLOWING NOTES CAREFULLY

All Stages will close 15 Minutes after the due time of the last car.No competitor may start a stage before the time given for Car 0.Competitors may attempt the stages at any time provided the stage is open,but stages must be attempted in the correct order.i.e. Stage 1,2,3.etc.Lateness penalties only apply at MTC1 and 2.

Before attempting a special Stage please refer to the correct stage diagram in the road book,this will give details of whether it is a lapping stage,30 second start etc.Note These diagrams are not to scale.

Due to the late Harvest and wheather conditions,the organisers have had to reorganise the route,therefore there will be no dinner break,but there will be approx a 1 hour break between stages 3 and 5 at Drifffield and again between stages 11 and 12 at Pocklington.The organisers apologise for this,but you will realise these are beyond our control.

Finish Venue

We are finishing at The Crest Hotel Humber Bridge,we would appreciate it if you could remove dirty overalls etc before entering the Hotel.Plenty of towels etc are being provided in the toilets in the Crest Suite(near MTC 2) so please use them.The video and awards will be in the crest suite and the Barbeque in the Hotel veranda.
