

## FIRST RALLY WIN

After 17 years of trying, Beverley's John Dixon won his first ever rally when he guided his MG Metro 8R4 to victory on the Harrier Stages, near Doncaster.

Dixon and co-driver Gavin Heseltine, pictured on their way, both members of North Humberside Motor Club, won by just three seconds after a nervous last stage when their lead was halved following clutch problems on the penultimate stage.

Although 10 timed-stages were planned, only six were run but when the clutch began to fail the crew were unsure whether the Metro would last out.
