To claim points in the championship, competitors must follow the following rules.

1. Results must be submitted within 4 weeks of the event. Results submitted after this time will not count.
2. When submitting results, please make it clear as to whom is claiming the points, eg highlight your results with a marker pen, or write on the top of the results.
3. Make sure that from the paperwork you submit, it is possible to work out your finishing position in your class, and show the number of starters in the class. Remember you get 10 points for starting an event, so even if you do not finish, please claim your points.

Labels are supplied for sending your results to Gail, or alternatively you can give them to Robert at Club night.

In return we will publish regular championship results in the club magazine and also post them on the Club Website: northhumbersidemotorclub.co.uk
