### Sponsors' Foreword

Once again Willingham's Recovery is pleased to sponsor the North Humberside Forest Rally 2004. As always so professionally organised by the North Humberside Motor Club Ltd, the rally is firmly established as one of the North of England's premier motor sport events.

Willingham's Recovery depot, now in its second year, is going from strength to strength expanding recovery operations for cars, motorcycles and vans in the Leeds area.

Similarly, Willingham's Recovery in Hull also provides the motoring public complete roadside assistance with a 24 hours per day, 7 days per week, service. Either direct or as agents for all major clubs such as the RAC, AA, Green Flag, Britannia Rescue and Mondial, the public, local authorities, police and other emergency services all benefit from using our comprehensive range of recovery services.

Single or multiple motor vehicle collections/deliveries are also catered for (including the use of our 7 car transporter) to help you or your business, just give us a call.

We wish every success to this year's North Humberside Forest Rally and for everyone to have a safe and most enjoyable day.

Willingham's Recovery

## **Organisers' Foreword**

Welcome to the Willingham's Recovery North Humberside Forest Rally 2004.

This year the event is again a round of the DUNLOP Gold Star<sup>®</sup> Championship incorporating the DUNLOP Silver Star<sup>®</sup> Championship, Silkolene<sup>®</sup> 1400 Championship, and the Holpak Team Challenge, three regional association championships: the Roadrunner Phoenix Awards ANEMMC Stage Rally Championship, the Competition Car Insurance EMAMC Stage Rally Championship, and the Kent Cams ANCC Northern Stage Rally Championship, the Ford Rallye Sport Ka Rally Championship and the MG ZR Rally Championship.

As in previous years the DUNLOP Gold Star<sup>®</sup> Championship runs all cars under 1400 cc at the front of the field. There will be two historic classes: one for up to 1400 cc and one for over 1400 cc. Each class covers both historic and post-historic. In particular we hope that owners of historic Minis, Imps, and Midgets, for example, will take advantage of being able to run at the front of the field competing against themselves and modern rally cars. We also extend a welcome to larger-engined historics although they will not be able to run at the front of the field.

The event Headquarters and start remains at the Ramada Jarvis Hotel in Willerby to the west of Hull. The hotel is at the edge of the city and there have been very few traffic problems in the last three years. Scrutineering and noise test will be to the west of Hull off the main M62/A63 feeder road.

The entry fee is £315. Once again the organisers are supporting Airwaves' initiative with the RalliTrak positive reporting system for competing car locations within stages. The provision of this service, which the event and DUNLOP Gold Star<sup>®</sup> Championship organisers believe is one way forward in improving safety cover on stages, costs £20 per competing crew. This is included in the £315 total entry fee. As in previous years the entry fee may be paid by instalments. Our stages remain in the classic North Yorkshire Forests with Oliver's Mount again included this year.

We are trying to reward the hard-working Marshals and ask you to support them by a donation either on the entry form or at documentation. This is entirely voluntary and you will receive a "smiley sticker" for your windscreen for every £5. Our aim is to provide every marshal with a memento.

The organisers have arranged a deal with the Ramada Jarvis Hotel which will be Rally Headquarters and the venue for the awards presentation. Details can be found on the enclosed booking form which should be returned only to the address shown on the form to secure these attractive rates on a first-come, first-served basis.

For those remaining behind on Saturday, the hotel has a leisure centre open to residents, Kingston upon Hull has seven museums, the Deep, two shopping centres, and arguably the best art gallery in the North of England, whilst Beverley offers Beverley Minster.

Finally, the best of luck to all competitors on the day.

## 7. PROGRAMME

The programme of the meeting will be:

Scrutineering will take place at Kirk Ella Grange (MR 107/001303), starting at 3:00 p.m. on Friday 26<sup>th</sup> March 2004 and closing at 9:30 p.m. Individual times for scrutineering and the exact location of scrutineering will be notified in Final Instructions (GR K6.1). Any competitor not signed on one hour before his start time may be excluded. First car will start from the Ramada Jarvis Hotel, Willerby at 8:31 a.m. and will finish at the Ramada Jarvis Hotel, Willerby at approximately 4 p.m. Results will be declared at the Ramada Jarvis Hotel, Willerby, where the awards presentation will also take place.

## 8. ROUTE

Cars will start at one minute intervals (GR K3.7) from the seeded list.

Ordnance Survey Map numbers 94, 100, 101, 106, and 107 (1:50,000 scale) will be required.

The event will contain about 6 special stages with a total mileage of approximately 45 stage miles. In addition, the road route will consist of approximately 135 road miles on classified and unclassified roads.

The special stages will be timed to an accuracy of less than one minute in accordance with GR K30.2.

The stages will take the form of forestry tracks with the exception of Stage 1 which will be 100% sealed surface (Olivers Mount motorcycle race circuit). Stage and route information will be enclosed with Final Instructions.

The Official Notice Board will be located at documentation until documentation closes and then at Rally HQ at the Ramada Jarvis Hotel, Willerby (GR K3.14).

## 9. CLASSES

The event will consist of 14 classes as follows:

- N1) Group N up to and including 1400 cc
- N2) Group N over 1400 cc, up to and including 1600 cc
- N3) Group N over 1600 cc, up to and including 2000 cc
- N4) Group N over 2000 cc
  
- A5) Group A up to and including 1400 cc
- A6) Group A over 1400 cc, up to and including 1600 cc
- A7) Group A over 1600 cc, up to and including 2000 cc

All of the above classes are open to any vehicle currently in the General List of FIA homologated cars in Groups A or Group N, or formerly listed and now permitted to compete by the FIA/MSA.

- B9) Up to and including 1400 cc
- B10) Over 1400 cc, up to and including 1600 cc
- B11) Over 1600 cc, up to and including 2000 cc
- B12) Over 2000 cc, two wheel drive
- B13) Over 2000 cc, four wheel drive

Classes B9 to B13 are open to any vehicle complying with the 2004 MSA Technical Regulations.

## 11. ENTRIES (Fees and Methods of Payment)

The entry opens and closes in accordance with the Rally Timetable. The entry fee is £295.00 plus £20 RalliTrak for entries received up to 15<sup>th</sup> March 2004 and £345 plus £20 RalliTrak for entries received after 15<sup>th</sup> March 2004. The entry fee includes **either** one service pack **or** one management pack per competing car. If the free pack is a service pack, a competitor may in addition buy **one** management pack for £20.00. Competitors who wish their free pack to be a management pack must indicate this on their entry form. Management packs (**maximum of one per competitor**) must be ordered before the closing date for entries.

The entry fee may be paid either in full or by instalments as detailed below. No entries will be reserved or accepted by telephone. Incomplete entry forms will not be accepted. Cheques, postal orders, etc must be made payable to 'North Humberside Forest Rally' and crossed. Post dated cheques and other like forms for deferring payment will not be accepted, except as detailed below.

**Entries received after 15<sup>th</sup> March will not be seeded and will be allocated competition numbers after all entries received up to 15<sup>th</sup> March; they will start at an appropriate place in the starting order having regard to the drivers' past performance.**

Methods of payment:

**Scheme B**      Two Instalments:

One cheque for £50.00,  
one cheque for the balance, post-dated for payment on or before 15<sup>th</sup> March 2004.  
Both cheques to accompany entry form.

All entries must be made on the official entry form and accompanied by the appropriate fee. All entries will be acknowledged and all cheques, etc banked. The Organisers reserve the right to refuse any entry. The Entrant, Driver and Co-Driver will be deemed jointly and severally liable for the payment of all fees. All cheques must be cleared before a competitor may start.

The entry fee is based on Forestry Commission Charges, MSA and DOE fees, Start and Finish Venue costs and VAT rates as at 1st February 2004. Should any of these be increased before the event, the Organisers reserve the right to increase the entry fee appropriately or reduce the competitive forestry mileage. Any such increase will be collected at signing-on but will be publicised in advance if possible (GR E3.1.5).

The order of starting will be at the Organisers' discretion, but to assist seeding, entrants should note their previous results on the entry form.

**12. ENTRIES SECRETARY**

All entries should be sent to the Entries Secretary whose address is detailed under 'List of Officials' on page 2.

**13. ENTRIES (Acceptance)**

The maximum entry for the meeting is 180 (plus 20 reserves).

The minimum entry for the meeting is 120.

The maximum entry for each class is left open.

The minimum for each class is 10.

Should any of the above minimum figures not be reached the Organisers reserve the right either to cancel the meeting, amalgamate classes, or to reduce the stage mileage (GR E3.1.6).

80 entries will be reserved for DUNLOP Gold Star<sup>®</sup> Championship registered contenders up to 18:00 on 6<sup>th</sup> March 2004; subject to this written acceptance of entry will be sent on a first-come first-served basis to the first 150 entries received. Entries received after this will be acknowledged and held until after the ending of reservations for DUNLOP Gold Star<sup>®</sup> Championship contenders or until 15<sup>th</sup> March 2004. The organisers reserve the right to refuse an entry without giving a reason. **It is likely that the entry will fill up quickly and it is entirely up to the competitor to submit his completed entry in good time.**

The seeded list will be final and not subject to protest.

Entry Fees and other charges will be refunded in full to any entrant whose entry is not accepted or any entrant whose entry is **cancelled, in writing to the Entries Secretary**, on or before 15<sup>th</sup> March 2004. Entries cancelled in writing to the Entries Secretary between 15<sup>th</sup> March 2004 and 23<sup>rd</sup> March 2004 will have a charge of up to £25 deducted (GR E3.3.5). Withdrawals and non starters who fail to comply with the above timetable may receive a partial refund at the Organisers' discretion.

Competitors are advised that information they provide will be stored in a computer retrieval system and may be used for organisational and publicity purposes.

**14. OFFICIALS**

Officials are listed on page 2 of these Supplementary Regulations.

**15. RESULTS**

Provisional results will be published as soon as possible following the end of the event, subject to Official Delays (GR B13.1(b)), and will be displayed on the Official Notice Board in Rally HQ. The results service is being provided by Tynemouth Computer Services.

**16. PROTESTS**

Any protest must be lodged in accordance with GR O5.

## 17. SCRUTINEERING, DOCUMENTATION AND SIGNING ON (SEE ALSO SR7)

It is the responsibility of the entrants when presenting their cars for scrutiny to ensure compliance with the Road Traffic Act, Construction and Use Regulations, and MSA Technical Regulations (in particular Q and R). In addition to the above, the vehicles will be checked for general road-worthiness, suitability, eligibility and noise level. Persons accompanying vehicles at scrutineering will be deemed to have full knowledge of the vehicle and its eligibility for the event and class entered.

Competitors' attention is drawn to the regulations on overalls (GR Q9) and crash helmets (GR Q10).

Petrol will **NOT** be available at the scrutineering venue.

Competitors competing in classes N1, N2, N3, N4, A5, A6, and A7 must carry either Group A or BOTH Group A and Group N Homologation papers (as appropriate) for their car; these papers must be presented at scrutineering and at any other time during the event upon demand.

Competitors should note that specific checks will be made in respect of the following points:-

- a) An MSA Log Book (GR K25.2),
- b) A Current Taxation disc (GR K37.9.1),
- c) In the case of a vehicle over 3 years old a current MOT certificate (GR K37.9.1),
- d) A fire extinguisher system in compliance with GR Q3,
- e) Roll over cage complying with GR Q1,
- f) Windscreen of laminated type (GR K37.9.3),
- g) An emergency red warning triangle (GR K37.8.8),
- h) A mechanical hand brake in compliance with Road Traffic Act Regulations.

N.B. Vehicles bearing a cherished registration number or vehicles whose registration prefix letter could mean the vehicle is over 3 years of age should produce the Vehicle Registration Document and if necessary a current MOT certificate.

**Competitors' attention is drawn to the MSA tyre regulations (GR R2).**

The noise test will be carried out in accordance with GR E12.17 (specifically E12.17.8 Section C (100dba at 0.5 metres)). A further noise check or checks may be made during the course of the event. Competitors exceeding the noise limit at any of these checks may be refused permission to start, refused permission to continue or excluded, as appropriate (GR K5.1.3).

Entrants will be issued with a Road Book, Route Card and Time Cards at least one hour before his/her start time. The supplementary information for special stages will take the form of tulip diagrams. The road book will provide all the information necessary to enable competitors to comply with GR K32.1 and GR K3.3.1.

Competitors may be required to make up lateness at rest halts.

Should any changes take place on special stages which may be at variance with the tulip diagram issued, then the correct route will be deemed to be that designated by the stage arrowing (GR K25.9). The onus is on the competitor to follow the stage arrowing correctly and no protests will be allowed on this point (GR K26.1).

## 18. CONTROLS AND TIMING

This is a Target Timing Event. Crews must present themselves with their cars at all controls. All clocks will be set to BBC time. Special stage timing will be by digital clocks operated by marshals under the control of the MSA Timekeeper. All stages will have a bogey time indicated in the road book. Competitors are reminded that they must be ready to start a special stage when required to do so by the start marshal.

It is the competitor's responsibility to ensure that his times are correctly recorded on his time card and that the time card is handed in when and where instructed (GR K26.3.3).

The Rally will be divided into Road Sections and Special Stages. All controls other than Passage Controls (PCs) and Route Checks will be Time Controls (TCs). Each Road Section will be allocated a Target Time based on approximately 28 mph average or less (the target average speed, which may differ for different Road Sections) and a competitor can calculate his Due Time of arrival at any TC by adding this Target Time to his actual time of departing from the preceding TC.

On Short Road Sections following a Special Stage, three or four minutes extra will be allowed over the time calculated from the target average speed to account for any delays at the Special Stage Finish.

Competitors will receive penalties and accumulate lateness on Road Sections as follows:

- |      |                    |   |
|------|--------------------|---|
| i)   | Under Target Time. | Penalty: 1 minute per minute under target Time.<br>Additional Lateness: zero. |
| ii)  | Target Time.       | Penalty: zero.<br>Additional Lateness: zero.                                  |
| iii) | Over Target Time.  | Penalty: zero.<br>Additional Lateness: 1 minute per minute over Target Time.  |

All Special Stages will have a Bogey Time set at 65 mph (or 75 mph if the stage is entirely on a sealed surface), and a Target Time set at approximately 30 mph (or less on short stages).

Competitors will receive penalties and accumulate lateness on Special Stages as follows:

- |      |                                     |   |
|------|-------------------------------------|---|
| i)   | Under Bogey Time.                   | Penalty: Bogey Time.<br>Additional Lateness: Zero.                                  |
| ii)  | Between Bogey Time and Target Time. | Penalty: Actual time taken.<br>Additional Lateness: Zero.                           |
| iii) | Over Target Time.                   | Penalty: Target Time.<br>Additional Lateness: 1 minute per minute over Target Time. |

Lateness lost on Road Sections and Special Stages is cumulative and once lost cannot be regained. When a competitor's accumulated lateness calculated from the previous Main Control exceeds the permitted maximum of 20 minutes, that competitor will be excluded. Should any recorded times not be legible or not appear authentic, the Organisers may use any means at their disposal to establish a time (GR K26.3.4).

At all controls (other than stage finishes) a competitor who is early may wait for his Due Time outside the Control Area (GR K29.3).

The following titles shall describe the various types of controls:

*Time Control (TC)*

A Time Control may be situated at any specified point.

*Main Control (MC)*

Main Controls will be situated at the Start and Finish of the Rally, immediately before and after any Rest Halt, or at any other specified point. At an MC after a Rest Halt, competitors will restart at one minute intervals, either in original start order, or in the order in which they passed through a control prior to the halt. The method to be used will be notified in an official instruction and, if the order of passing through a control prior to a halt is to be used, the control will be specified in an official instruction. Each competitor will be given a due starting time from any MC and the difference between this and the actual starting time will be counted towards exclusion for overall lateness. Also a time penalty will be applied. Competitors not excluded by reason of having accumulated more than the maximum permitted lateness will restart (subject to the provisions above) from any MC with zero lateness, i.e. lateness is only accumulated between two adjacent MCs.

At the last Main Control of the rally competitors are allowed to check in advance of their due time using the procedure in K 29.3.3.

*Regrouping Control (RC)*

A Regrouping Control may be situated at any specified point. Competitors will restart from the RC at one minute intervals in the order of their arrival at the TC immediately preceding the RC. Each competitor will be given a due starting time from an RC and the difference between this time and his actual starting time will be counted towards

exclusion for overall lateness. Accumulated lateness cannot be reduced at an RC (that is, accumulated lateness is NOT reset to zero at an RC).

#### *Special Stage Arrival Control (SSA)*

On arrival at an SSA a competitor will receive an arrival time. At the SSA a competitor will be given a provisional start time for the stage in hours and minutes, a minimum of 3 minutes after the arrival time. The competitor must then proceed immediately to the start line. Once a competitor has been allocated a provisional start time, the start marshal will assume the competitor is ready to start the stage. A maximum of 5 minutes will be allowed to change a flat tyre (GR K30.4(k)).

#### *Special Stage Start Control (SSS)*

(GR K25.12) The starting signal for Special stages will be **either** a set of traffic lights driven automatically from the start clock **or** a flag.

For stages using a flag as the starting signal, the starting procedure will be: the start marshal will inform the competitor at 30 seconds to go, 15 seconds, 10 seconds and at 5 seconds will hold a flag ahead of the driver. He will raise the flag at zero. The raising of the flag will be the signal to start.

For stages using traffic lights, the starting procedure will be:

there will be no verbal countdown,

at 15 seconds before start time a red light will be shown,

at 10 seconds before start time an amber light will be shown,

at 5 seconds before start time, the red light will go off, and the 5 sectors of the amber light will turn off at 4, 3, 2, 1 seconds before start time,

at the start time the final sector of the amber light will turn off and a green light will be shown.

The switching on of green light will be the visual signal to start.

As each section is timed separately, the time taken from SSA to SSS is 'dead time' and delays are automatically allowed for. The area between the beginning of the SSA Control Area and the Stage Start will be 'Parc Ferme'.

#### *Special Stage Finish Control (SSF)*

At the SSF the competitor will receive a finish time in hours, minutes and seconds. This time, in hours and minutes, will be the start time for the following Road Section. Any competitor who fails to stop at the 'Stop' line must not, under pain of exclusion, reverse to the stop line, but must return on foot (GR K25.9.1, K31(p)).

#### *Service Area (SV)*

All service areas will have 'IN' and 'OUT' Time Controls and a target time will be specified between these controls. The section between SV 'IN' and SV 'OUT' will be marked as a road section.

#### *Passage Control (PC)*

At certain points indicated in the Road Book the Organisers may establish PCs in order to collect time cards from competitors or for other purposes. There will be no official times recorded at these controls, but a competitor failing to provide the necessary documents at any PC will be deemed not to have visited that control.

## **19. IDENTIFICATION**

**Up to 1400 cc** competitors will be identified by competition numbers starting at 201; **all other** competitors will be identified by competition numbers starting at 1. The Organisers **will issue** rally plates to be fixed to the front and rear of the vehicle. In addition, competitors must display any advertising material specified by the Organisers on both front doors of the car. Rally plates relating to previous events must be removed prior to scrutineering. Competitors are reminded that these identification markings must be kept clean and legible throughout the event and must be removed or covered after the event or upon retirement (GR K10.1).

## 20. SUMMARY OF PENALTIES

See GR K31 which is amended as follows:

- r) Failure to follow the instructions of an official ..... 10 mins
- s) Further breaches of b), c), d), e), k), l), m), or n) ..... Exclusion
- t) Repeated misbehaviour of service crew ..... Exclusion
- v) Misuse of SOS and/or OK boards..... Report to MSA
- w) Unauthorised testing or practising .....Start refused - no refund of entry fee - report to MSA
- x) Causing an obstruction..... Exclusion

## 21. GENERAL REGULATIONS

All other General Regulations of the MSA apply as written except for the following which are modified:

- GR E7.1.3 Competitors may be members of more than one team. (SR10)
- GR K9.1.3 Only the first named driver may drive during the event.
- GR K24.2.8 For the purposes of determining the notional time to be given to a crew who has not been able to cover a stage in the normal manner due to the running of a Special Stage being stopped, the two categories of vehicles in the rally will be treated as separate events.  
The notional time for competitors in Classes N1, A5, B9, and H14 will correspond to the slowest time set by a competitor in these classes, up to the moment of interruption.  
The notional time for competitors in Classes N2, N3, N4, A6, A7, B10, B11, B12, and H15 will correspond to the slowest time set by a competitor in these classes, up to the moment of interruption. If, in the case of either category, it appears that the slowest time represents a complete anomaly, the next slowest time may be retained (and so on until the 5th slowest time).  
However, no crew which is totally or partially responsible for stopping a stage may benefit from this measure. If they finish the stage they will be given the time which they actually set even if this is greater than the time awarded to other crews.
- GR K25.13 Subjective Route Notes from Patterson Pacenotes are permitted on this event, see SR 23.
- GR K34.1 Servicing will only be permitted in accordance with SR24. No other servicing is allowed and Judges of Fact will be appointed to enforce this. To assist competitors, a service schedule will be issued with Final Instructions.
- GR K34.1.1

## 22. MEDICAL ASSISTANCE/SAFETY

All vehicles must carry a Red SOS/OK Card and in the event of an accident where urgent medical assistance is required, the card should be displayed so as to show the Red SOS to the following competitors. In the event of an incident where urgent medical assistance is not required, the card should be displayed so as to show the OK to following competitors. Any competitor seeing a Red SOS card displayed must report the location to the next official radio point along the stage and to the stage finish control. (The competitor's RalliTrak radio may also be used to alert the stage safety services immediately.) Any competitor seeing an OK card displayed must report the fact to the stage stop line marshals. The penalty for misuse of this card is exclusion as in GR K25.5, SR20(v). Any crew who are delayed due to assisting at the scene of an accident should report the fact to the Organisers who reserve the right to grant a time allowance, at their discretion, if they are satisfied that the claim is bona fide.

## 23. PACE NOTES AND SUBJECTIVE ROUTE NOTES

Subjective Route Notes for this event will be available from Patterson Pacenotes (Brian and Liz Patterson). It is the competitor's responsibility to order and pay for their notes direct from Patterson Pacenotes as the event organisers will not be involved in this process in any way. Please see the Patterson Pacenotes advert on the facing page of these Regulations for further details.

**No other route notes are authorised for use on this event**, and if found will be penalised in accordance with K25.13. This does not however preclude competitors from making notations thereon to suit their individual purposes or to transfer information provided by the organisers (i.e. logging and safety information) on to the notes. In all instances competitors are advised that the organisers accept no liability or responsibility for the use of the Subjective Route Notes.

Competitors may also use 1:50,000 or 1:25,000 Ordnance Survey maps on which they may mark the route, any information provided by the Organisers, or information from Patterson Pacenotes subjective route notes for this event.

**Reconnaissance is not allowed.** From the date of publication of these Regulations, where it is established that a competitor or entrant, their agent, representative or any other person or persons connected with a competitor or entrant has caused, arranged, directed, or carried out reconnaissance, or inspected or noticed, in any form the sections within the area covered by maps listed in these Regulations before competitors have covered the stages, they will be **excluded from the results or refused permission to start**, as appropriate to the case. All such occurrences will be reported to the MSA (GR K6.2). The only exception to this Regulation will be for persons who live on, or whose employment causes them to travel along, a road used on the event.

## 24.SERVICING

- 1.Servicing is defined as work carried out on the car by any person other than the competing crew, or the use of parts or tools not carried in the competing car. Two categories of support vehicle will be permitted: Service Vehicles and Management Vehicles (SR24.4). Any person travelling in a Service Vehicle is 'Service Crew'; any person travelling in a Management Vehicle is 'Management Personnel'.
- 2.All servicing work carried out and the carrying of fuel in Service Vehicles must comply with current Health and Safety Executive recommendations.
- 3.There will be Service Areas at strategic points where work may be carried out by the Service Crew or Management Personnel on the competing car. These will only be accessible to Competitors and Service/Management Vehicles bearing Official Plates.  
No other areas may be used by Service Vehicles, which are required to follow a prescribed route to the Service Areas. All other areas will be Out of Bounds to Service Crews and vehicles.
- 4.Emergency Service will be permitted in designated areas at the end of some Special Stages, from Management Vehicles bearing the appropriate Management Plate. These plates may **only** be used on conventional saloon cars or their estate car/van derivatives, and, subject to approval by the Organisers, 4x4 off-road leisure vehicles and people carriers. **The use of 'Transit' type vans, panel vans, trailers and roof racks is not permitted.** These vehicles must follow the route specified by the Organisers in the Management Vehicle Pack, which will specify sections of the rally route which are Out of Bounds to Management Vehicles. Management packs will contain a copy of the Competitor's Road Book together with a details of the management route defined by descriptive text and map extracts.
- 5.Competitors may work unassisted on their own cars in 'Non Service Areas' except:
  - i) within 100 metres of any control,
  - ii) between Special Stage Arrival and Special Stage Start controls, and
  - iii) in any *Parc Ferme*.
 The only activity permitted in these areas is, with the permission of an event Official, to carry out the following work unassisted:
  - (a) Replace a wheel with a flat tyre by a wheel and tyre carried in the competing car,
  - (b) Clean lamp glasses, windscreen, windows, competition numbers, and vehicle registration numbers.
- 6.Service Crews and Management Personnel are subject to the same regulations as competitors regarding noise, bad driving manners, etc. Officials and Marshals have been instructed to note any infringements of these rules.
- 7.Competitors are responsible for ensuring that their Service Crews and Management Personnel understand and comply with these regulations and that their Service vehicle(s) and Management Vehicle(s) bear an Official Plate showing the Competitor's Rally Number. This plate **must be fixed** to the front of each Service or Management Vehicle and must be clearly visible at all times. Each service/management pack will contain only one Official Plate. The Competitor will be required to complete a Service/Management Vehicle Registration Form before the pack is issued. Transferring a plate to a vehicle which has not been registered is an offence, and may be penalised under K34.
- 8.A competitor receiving assistance contrary to these SRs will be penalised in accordance with K31(n) or (o). Any Competitor whose Service or Management Vehicle is observed in an Out of Bounds area will be penalised by Exclusion from the results.

## 25.DAMAGE DECLARATION

Competitors will be required to complete and sign a report declaring they have not been involved in any incident resulting in damage to private property or injury to persons or animals, or alternatively giving details of any such incident where damage or injury has occurred. Any information given will not incur a penalty but failure to hand in a duly completed form will mean Exclusion. Competitors who retire on a stage should give their completed damage declaration form to the first Course Closing Car. Other competitors who do not report to the Finish are required to forward the report to the Secretary of the Meeting within 48 hours of the event, unless they have been involved in an incident in which case details must be given to the Organisers that same day. Competitors failing to comply will be reported to the MSA and excluded (GR K35.4 and K31(p)). During the event, the Secretary of the Meeting may be contacted at Rally HQ whose telephone number will be given in Final Instructions.

## 26.JUDGES OF FACT

Under GR C11.2 and GR K24.2.11 the following facts will be judged by officials as specified:

Failure to comply with GR K25.9 & GR K25.9.2	All officials & stage marshals
False starts on a stage	All stage start marshals
Failure to comply with GR K25.9.1	All stage finish marshals
Unauthorised possession of pace notes	All officials & Judges of Fact named for that purpose
Unauthorised servicing	All officials & Judges of Fact named for that purpose
Unauthorised smoking	All officials & stage marshals
Excessive noise	Noise test marshals & Judges of Fact named for that purpose
Crash helmet, seat belt and overalls regulations	All officials & stage marshals
Misuse of Red Cross/OK cards	All officials & stage marshals
Depositing of litter	All officials & marshals

MSA Scrutineers are Judges of Fact in respect of Vehicle Eligibility (GR C11.3)

**Your attention is drawn to the fact that it is the intention of the organisers strictly to enforce the MSA Requirements regarding advertising and noise (SR17). In particular, excessive noise and backfiring will be monitored very closely throughout the event.** Judges of Fact and Driving Standards Observers will be appointed to report on sound levels. Excessive sound will include instantaneous occurrence of noise such as that produced by backfiring caused by anti-lag systems. The penalty for excessive sound may go as far as exclusion (GR K24.2.3). Competitors should pay particular heed to GR C11 and C12.2.

## 27.DRIVING STANDARDS OBSERVERS

Officials will be appointed to judge driving standards GR K24.2.12.

Driving Standards Observers will have the powers listed in GR K24.2.12 and they will have the power to instruct competitors to withdraw from the event (GR C13.3).

## 28.EVENT CANCELLATION

Should it be necessary to cancel the event due to legal requirements or other unforeseen circumstances, the exact amount of refund will be determined by the actual administration expenses incurred. The Organisers are not liable for any further consequential losses incurred by prospective competitors because of event cancellation (GR B16).

## 29.CANCELLATION OF STAGES

Should it be necessary to cancel a stage during the rally, or to delete a stage from the results of the event, only the stage penalties will be cancelled. Unless a competitor has received written instructions to the contrary and has signed to that effect, the cancelled stage must be traversed within the Target Time. A competitor who exceeds Target Time on such a stage will have the excess time debited to his accumulated lateness. Any competitor who does not have a time recorded at the start or finish of a cancelled stage will be excluded (GR K31(a)).

## 30.INSURANCE

The promoters have applied to Alexander Forbes (formerly Bradstock Insurance Group) for a Blanket Cover Note under the Alexander Forbes Motor Sports Club Scheme. This will provide competitors who need to use the Scheme

with Third Party Cover necessary to meet RTA requirements on the Road Sections of the Event.  
The basic rate for the event (before any Loadings) will be £24.96.

New applicants wishing to use the Scheme must be able to comply with all points of the Alexander Forbes Declaration:

- a) Over 21 and held a full licence for at least six months,
- b) No more than one fault accident in the last three years,
- c) No more than a maximum of six speeding points on licence,
- d) No physical or mental disabilities,
- e) No other material facts.

**If able to comply** with all points above simply sign on the Signing-On Form for Insurance at Documentation - no Letter of Acceptance will be issued.

**If unable to comply** with any of the points above contact the Entries Secretary for a Declaration Form, complete the Declaration Form and forward either to the Entries Secretary or direct to Alexander Forbes prior to the Event, to allow sufficient time for a Letter of Acceptance to be issued. Fax copies are acceptable. (Address: Alexander Forbes, Hanover House, 30/32 Charlotte Street, Manchester, M1 4FD Tel: 0161 228 0721 Fax: 0161 236 0995.)

If you have an NES letter that has a loading then you must also complete the declaration.

Spaces have been left on the entry form for the Policy number, name and address of the vehicle's insurers for the period of the event, for those competitors not using Alexander Forbes Motor Sport Risk Services Insurance.

**These spaces must be completed if applicable.**

It is the competitor's responsibility to determine the suitability of any insurance that they are proposing to use for the event with particular reference to current personal and vehicle details.

### **31.ADDITIONAL INFORMATION**

A)Service and management vehicles will not be permitted on live stages.

B)In common with all DUNLOP Gold Star<sup>®</sup> Championship rounds, and as on this event last year, we shall be using the RalliTrak system of competitor tracking throughout the stages. RalliTrak uses a dedicated radio network operated by stage personnel who track each competitor through the Special Stages at approximately every 5 km. Each competitor will carry a RalliTrak 2-way radio, to be used in the event of accident or retirement. This radio, when operated, has an immediate link to the nearest operator who is in direct contact with the stage safety services. Full instructions for use of the RalliTrak radios, and penalties for mis-use, will be specified in Final Instructions or a Bulletin.

C)Special rates for accommodation have been negotiated with the Ramada Jarvis Hotel, Willerby. Three star accommodation will be at a rate of £70.00 per room for bed and breakfast in a twin or double room, £50.00 per room for a single room on Friday, and £65.00 per room for bed and breakfast in a twin or double room, £45.00 per room for a single room on Saturday. All accommodation bookings should be made on the enclosed booking form, and all communication should be with the Ramada Jarvis Hotel on the booking form.

#### **D)MARSHALS REWARD SCHEME**

In order to help generate support from marshals we are making provision for every marshal to receive a memento of the rally. We should very much appreciate your help in this important area, and we ask you to consider purchasing the "Smiley Stickers" either in advance (via the entry form) or on the day at documentation.

You will be given one sticker for every £5 donated and these should be fixed to the co-driver's side of the windscreen so that the marshals can thank you personally for your generosity.

E)Writtle Photographic (Mark Writtle, Unit 13, Stanley Lane Industrial Estate, Bridgnorth, Shropshire, WV16 4SF, tel: 01746 767929, fax: 01746 762212, email writtlephoto@btconnect.com) will be attending the event as official photographer.

F)Mad Video (Ian Maddison, PO Box 81, Keelby, Grimsby, DN37 5SN, tel: 01469 561281, mail ian@madvideo.demon.co.uk) will be attending the event as official video photographer.
