North Humberside Motor Club Ltd.
JOHN OVEREND MEMORIAL STAGES & MELBOURNE JUNIOR RALLY 2019

INTRODUCTION

Welcome to the 2019 John Overend Memorial Stages Rally to be held at a much improved Melbourne Airfield, near York. This is the 22nd time the event has been known as The John Overend Memorial Stages Rally, named after an active and popular member of North Humberside Motor Club who tragically died whilst setting up a Rally Stage in 1994.

The event was voted BEST GRAVEL RALLY, 2016 ANEMMC Stage Rally Championship.

The John Overend Memorial Stages is a round of:

The 2019 Roadrunner Phoenix Awards ANEMMC Stage Rally Championship,

The Wemix Concrete Ltd EMAMC Stage Rally Championship 2019,

The ANWCC Stage Rally Championship 2019,

The Yokohama Tyres Senior F1000 Championship 2019,

The Melbourne Rally Challenge 2019, which incorporates all three events on Melbourne Airfield.

The Melbourne Junior Rally is a round of

The Junior 1000 Rally Championship.

For those who have not been to Melbourne, it is a disused airfield offering a varied mixture of good, medium and poor quality concrete and tarmac runways and tracks. Significant resource has been invested in resurfacing large parts of the venue, but the stages still present a variety of surfaces. Good viewing is available for your service crew and supporters. As in 2017, we aim to provide access to and from the service area at specific times during the event.

The Landowner has made it a condition of our continued use of the venue for rallying that all competitors use tarmac type tyres throughout the events, assuming all remedial work at the venue is complete. If this is the case then any crew with Forest or M & S pattern tyres fitted will not be allowed to start a stage until these have been replaced. The Clubs running the three events at Melbourne have put in a considerable investment to improve the venue so we anticipate tarmac tyres will be the rubber of choice. The landowner can also, with consultation, specify that an event be postponed should conditions be such that extensive surface damage would occur, however surface improvements make this an unlikely occurrence.

The entry will be restricted to a maximum of 70 starters. We welcome entries from the usual **Modern Classes**, the **Historic Classes** and we have an up to 1000cc class.
SUNDAY SCRUTINEERING IS AVAILABLE.

There will be toilets and catering facilities on the venue throughout the event. There are also a number of guesthouses, pubs and hotels located in and around York. Please contact the York Tourist Information Centre for more details on 01904 621756.

The organising team look forward to meeting you and hope that you have a very enjoyable and safe day's motor sport.

The Organisers.
